Algebra 2 8:00-9:05 in Marquez 409

- On the TV, display the [entrance ticket slide](#).
 - This slide has rules that will be useful for students.
 - Students also have these slides in Canvas.
 - Students should complete [today's entrance ticket](#).
- Most students need to work through Canvas problems posted yesterday:
 - The information on the entrance ticket slide will be useful for answering these questions.
 - [OCW_0707A_polynom_reflect_MC](#)
 - [OCW_0707B_polynom_reflect_v2](#)
- Some students might have time to continue onto the problems posted today:
 - [OCW_0909_even_odd_funcs](#)
 - They should first look through [today's slides](#).
 - They might also want to check out [Khan Academy](#)

Math Literacy 10:06 - 11:01 in Marquez 409

- Seniors are on a fieldtrip.

Algebra 2 9:49-10:49 in Gates 309 (Room change to Carson 301)

- Display [the agenda](#) (go to week 41, Friday)
 - Students also have the link to the agenda at top of Canvas.
 - Students can also find all assignments on Canvas.
- All students should start (~5 minutes) by working on the entrance ticket: [Canvas/public](#)
- Students have a few assignments on matrices due today:
 - [s19_30_can_add_matrices](#) [Canvas/public](#)
 - [s19_31_add_matrices](#) [Canvas/public](#)
 - [s19_32_subtract_matrices](#) [Canvas/public](#)
 - [s19_33_ntwrk_incidence_mat](#) [Canvas/public](#)
- Most students also need some time to catch up on older assignments.

WIN 10:22-10:52 in Graham 102

- The first half hour should be **silent** independent-work time. Students should be working on ALEKS (online math).
- The second half hour, students can **quietly** work on other work.

- Students should stay in their chairs, at desks, one kid per desk.

Crew 11:28-11:58 in Mondrian 205 (Room change to Dubois 402)

- Students will eat lunch.
