## Instructions

- 1. Find a stencil (2 inch by 2 inch), or 7 different stencils. Choose stencils without any reflective or rotational symmetry.
- 2. Grab some colored pencils.
- 3. For each Frieze group, generate a pattern using a stencil, following the examples below:

p2mm (spinning jump)

F	7	F	F	F	F	F	F
Ł	71	Ł	71	Ł	71	Ł	71
